Re: Cabot Oil & Gas Corporation Response to EPA CERCLA Section 104(e) Request for Information, Dated January 6, 2012.

Dear Ms. Zia:

As requested in our phone conversation of Monday, March 5, 2012 and pursuant to EPA's January 6, 2012 request referenced above, Cabot has assembled the location information for the individuals referenced in its response to Request No. 3 of EPA's January 6, 2012 request for information. That information is provided on the attached spreadsheet which identifies the individuals referenced in Cabot's response to Request No. 3 and provides corresponding location information. You will see that, where readily available, we have provided the individuals' street addresses; where we did not have that information readily available, we have provided latitude and longitude information gleaned from elsewhere in Cabot's RFI response. Please let me know if you have any questions or if this is not the information which you were seeking.

Very truly yours,
Bracewell & Giuliani LLP
